Description

Handmade Afghan Ziegler wool rug circa 1960. 19th-century design rug, beautifully crafted using a fine weave and a delicate pattern. This is a Ziegler rug, a rare and timeless style. The very low-cut pile creates different shades depending on the angle. To give the Ziegler rug a unique, worn look, it is sun-bleached and finished with sandstone. Not only the worn look, but also the design with wide edges, attractive colors, and centered patterns was adopted. Thanks to its antique look, the Ziegler rug exudes a warm and lively atmosphere. Size : 370 x 270 cm Condition : Good, slight overall wear to wool. *Video on request MY COMPLETE GALLERY
