Description

This beautiful white gold ring from the 1940s is not new but it is in very good condition. An amethyst in the center with three small diamonds on each side. An eagle's head hallmark (a little faded) is visible on the outside of the ring. I tested it with a touchstone and my jeweler confirmed it is indeed solid 18 carat gold. Dimensions of the amethyst: 6 x 6 mm. Weight of the ring: 3.90 grams. Size: 53. Fast, careful and very secure shipping, free for France.
