Description

We present this pair of fairly small format and superbly framed watercolors, signed by a painter named SOULIE. Our watercolors were painted at the end of the 18th century or at the very beginning of the 19th century. They are very fresh and in perfect condition. I just went to consult "BENZZIT", I find three artists listed under the name SOULIE with this spelling, one would have been born in 1807 which would mean that our watercolors would be from between 1825 or even 1830. In any case they are superb. Door extra (E25)
