

Napoleon III Fireplace Surround

2 400 EUR

Signature : Henri Picard bronzier

Period : 19th century

Condition : Très bon état

Description

Large Napoleon III period fireplace set, in red griotte marble, gilded, silvered and patinated bronze. Very beautiful decoration inspired by the Etruscan style. Unsigned but certainly the work of the bronzier Henri Picard. Very good condition, the movement is complete and works with pendulum, gong and key.
