Description

Chair (e) chair by Louis Touchagues 20cm - 26 cm. The quality of the shading and the straight lines are enhanced thanks to the depth of the chair. The fine lines contrast with a slender body in a slumped posture. This slumped posture enhances the hair, the hands, and the quality of the drapery. The artist shows us all his sensitivity and sensuality. This lithograph is signed and numbered. Delivery possible not included in the price.
