Description

Sculpture representing a harnessed horse at a walk, in bronze with a golden patina, resting on a richly textured oval base. The whole is fixed on a black marble base, adding to its stability and elegance. Beautiful original golden patina with some visible wear related to age, notably a chip on the base (visible in the photos), without affecting the stability. Beautifully crafted sculpture, in a decorative style evoking the end of the 19th or the beginning of the 20th century. Dimensions: o Height: 11 cm o Width: 11 cm o Depth: 5.5 cm o Weight: 740 g A decorative piece with a noble appearance, ideal for an animal display case, an office or an equine collection.
