Description

Refined sculpture depicting a draped woman, seated and leaning on a stone-painted wooden sphere. It rests on a rectangular cardboard base lined with marbled paper (in shades of red, brown and black), itself fixed on a black painted wooden base with golden pearl decoration on the front. The gilded bronze is finely modeled, particularly in the expressive rendering of the face and the folds of the garment. The posture and style evoke a classical allegorical figure, perhaps Philosophy, Meditation or Fortune.
