

Trophy-style Cup In Enamelled Metal - Vienna, 19th Century

2 400 EUR

Period : 19th century

Condition : Très bon état

Material : Metal

Description

19th-century Viennese art object, made of finely polychrome enameled metal. The trophy-shaped cup is decorated with genre scenes typical of the Viennese tradition: a romantic couple seated in front of a barrel on the upper part, and a bucolic dancing scene on the base. The sculpted arms and the central figure in patinated bronze underline the refinement of the work. Height: 16 cm
