

A Small Oil On Panel, Sewing Fishing Nets, 19th Century

1 000 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting on wood

Width : 17

Height : 17

Description

Here, our anonymous painter depicts a group of women by the sea, busy repairing or sewing fishing nets. A scene traditionally depicted by sea embroidery painters. Dressed in dark traditional clothes, they sit on the sand, concentrating on their task, while the boats and the turquoise sea form a bright and peaceful background. The clear sky and the warm tones of the sand contrast with the shadows of the figures, in an impressionist style with thick and expressive brushstrokes.
