Agriculture in Arcachon in 1865, organized by Abbé Moulès. Some of his works are kept at the British Museum. Certified authentic by the expert Jacques Sargos Comes from a studio font of the artist About Henry Charles Stock 19th-century painter and draughtsman, active in London and on the English coasts. He produced numerous views of maritime and rural scenes. He exhibited at the Royal Academy and was selected for international events such as that of Arcachon in 1865, under the patronage of Abbé Moulès - a great promoter of science and agriculture in Aquitaine.
