

Portraits Depicting Mary Magdalene Of Austria And Cosimo II De' Medici

33 000 EUR

Period : 17th century

Condition : Bon état

Material : Oil painting

Description

Prestigious pair of large oil portraits on canvas, depicting Mary Magdalene of Austria and Cosimo II de' Medici. The female portrait shows Mary Magdalene of Austria in ceremonial dress, richly adorned with golden inserts and precious jewels, including long pearl necklaces and a jeweled belt and is depicted with the bust enriched by an elaborate ruff collar. While the male portrait depicts Cosimo II de' Medici in a proud pose, with his left hand on his hip and his right leaning on a table. He wears a brocaded doublet and gold puffed breeches, a dark cloak with precious lining and a high stiff ruff collar. 17th century, Tuscany.
