Emperor Profile

90 EUR

Period : 20th century

Condition : Etat d'usage

Material : Crystal

Length : 13 cm

Width : 13 cm

Description

Profile of Emperor inserted in a block of smoked crystal. The profile is hollow when the profile is turned to the right. Work from the 1930s-1940s. Beautiful presence of this Emperor. I take into account in the price the 2 accidents: chips on the left side which do not reach the profile and 2 other small chips in the upper part. Shipping costs to France by Colissimo with tracking: 20 euros
