Description

Pair of Wall Lamps - Cristal Art, glass and brass, 1960s
Materials:The lamps are made of brass and curved colored glass. The glass has two distinct shades: one sheet of white satin glass and the other of amber/orange glass, both gently curved to create an elegant, three-dimensional effect.
Design:The brass frame supports two vertical diffusers, each with a flame-shaped bulb placed on a fluted conical support. The shaped glass recalls the shape of a stylized leaf or flame, accentuating the mid-century modern aesthetic typical of the 1960s.
Dimensions:H 70 X W 25 x D 10 cm.
Style:Mid-century modern, with a touch of glamour and sophistication. Perfect for vintage interiors or as contrasting elements in contemporary settings.
