#### Description

Frame. Carved wood. 18th century. It has defects. Rectangular wall frame in carved wood decorated with architectural and plant elements reminiscent of classicism, divided into two wide moldings and two thinner ones (one striped separating the two bands and the other interior with two beads between the long parts). The curves that are drawn inwards, as well as the hollow in this area, are particularly noteworthy. - Size: 58x6.5x49 cms. int: 40.5x31 cms
