Description

Antique Napoleon III display cabinet, French-made, in rosewood and ebony, with rosewood interiors, boxwood inlays, greenwood, and high-quality bronzes gilded with 18-karat gold (original gilding). This piece has been carefully restored in our workshop: the varnish was removed, the shellac was redone, and the bronzes were dismantled and cleaned. The internal shelves, adjustable with a ladder, are original and decorated with boxwood inlays. Dimensions: width 90 cm, depth 46 cm, and height 160 cm. We are available to restore your furniture, including your paintings. Contact us for a quote.
