Russia, Turkey and Iran. We also find with great resemblance this decoration in many carpets from the Caucasus of different ethnic groups and different regions. This shows the difficulty of identifying certain Caucasian carpets that are referred to under the generic term Kazak. Note the extraordinary nuances of the wool dyed in strips across the width, in the bricks and in the bronze greens, proof of a handmade carpet and ancestral craftsmanship. The shades used bring us closer to the aforementioned region, the brick, bronze green, and the terracotta are shades that are found in the tradition of all Kazak territories. A well-crafted, very decorative piece in very good condition and of rare chromatic quality. Dimensions: Width 141 cm (55") x length: 347 cm (136") FREE SHIPPING FOR FRANCE as for all our carpets!
