

## Endearing Pouty Kestner XII In Pristine Condition

3 250 EUR

Period : 19th century

Condition : Très bon état

Material : Biscuit

Height : 48cm

### Description

This very expressive bisque headed KESTNER doll from the 1890s has been very carefully preserved over the years. The poured bisque head has a creamy complexion, the pouty closed mouth calls for a hug, the sleeping glass eyes are a deep brown, the blonde mohair wig is still glued onto the plaster pate, the wooden and compo body is in good condition with a remarkable patina, fully originally dressed with German white leather shoes. Dimensions: 19"(48 cm) tall, Feel free to ask any questions!
