### Description

A decoration for a pediment or another...?! In cast bronze... Gilded on the main face... From the 18th century... FRENCH origin... And good condition... Was certainly fixed on a piece of furniture or a mirror... Because it has lots of small holes to receive screws... On the back...! And a few others which are drilled here and there to be nailed on a panel... Marked on the back is a large "X"... Is this a reference or a signature, I don't know...!? It's beautiful quality...! To finish off a decoration... Weight... 1 kilo 27 gr
