

Rare Pair Of Hand-engraved Bohemian Crystal Vases, 19th Century

4 300 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

Description

A rare pair of amber-colored Bohemian crystal vases, each 32 cm tall. Each vase is intricately hand-engraved, depicting detailed hunting scenes in a forest landscape. The crystal, with its warm, luminous tone, is enhanced by a faceted daisy-shaped base, adding depth and refinement to the ensemble. A fine example of 19th-century Bohemian glassmaking expertise, combining technical skill with decorative aesthetics.
