Description

Pair of romantic period oils on canvas depicting gallant scenes, very well framed. 1 - In a garden, a couple is walking. We can see children in the background and a fountain in the undergrowth. 2 - A couple is standing in a garden in front of a fountain. Wooded environment with garden vases and a musician. All of these canvases are in very good general condition. The frame is in the Louis XVI style with a decoration of eggs and pearls. These canvases give off a vision of calm, well-being and the sweetness of life. Works typically in the style of the 18th century. Fresh colors, pleasant atmosphere. Height: 64 cm Width: 52.2 cm Thickness: 4.1 cm View: 50.5 x 38.6
