### Description

Blown glass table lamp produced by A.V. Mazzega, made in Italy around the 1980s. The model, known as "Parafango", features an arched structure in Murano glass with a white opaline inner diffuser and green glass exterior. The base is made of black-painted metal. The original electric cord is still present and in full working condition. The "AV Mazzega" mark is visible on the back. Dimensions: height 41 cm, total length 47 cm. An authentic piece of late 20th-century Italian design, suitable for modern interiors or collectors. Please contact us for further information. Worldwide shipping available.
