Description

Antique & beautiful rectangular seat cushion, ideal for a bench. Made from dark green and gold brocade velvet fabric, adorned with a sumptuous braid with fringes and tassels in passementerie from the house of Prelle. The arabesque plant motif recalls the Napoleon III style. The braid is particularly neat, with dark green twisted fringes and tassels in turned and gilded wood, highlighting refined craftsmanship. The underside is lined with a plain green satin fabric, in very good condition with some minor signs of use. Possibility of acquiring three more.
