# Murano Vase In Transparent Glass Lattimo 1960s/70s

130 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Width : 18

Height : 31

## Description

Large hand-blown glass vase. Lattimo glass (or vetro lattimo in Italian) is a type of opaque, white glass, often compared to porcelain in appearance. It was developed primarily in Murano (near Venice) from the 15th century onwards. Very good condition. Dimensions: 31 x 18 cm.
