Netsuke in tinted ivory depicting a mermaid struggling with an octopus among the sea waves.

It is amusing to note that the fight is taking place around a bottle and a sake cup, indicating that the creatures are undoubtedly fighting in a state of inebriation. Japan, Meiji period (1868-1916).

Good condition, note however a small restoration between the junction of the mermaid's tail and the wave. Natural himotoshi under the base in the hollow of a wave. Dimensions: Height: 2.3 cm Width: 3.6 cm Depth: 2.9 cm Shipping is careful and will be done the day after receipt of payment.
