Description

Beautiful 19th century desk object of Russian origin. In a Louis XV baroque style in gilded bronze with a beautiful relief highlighting the acanthus leaves, macarons and other rays of hearts. It first accommodates a stamp box with a convex lid with raised field enamel decoration for a floral decoration, it is also equipped with a letter weighing device with its small round tray, the screw for adjusting the scale is in white metal. Shipping in France and internationally, contact me for terms.
