Description

Edmond Ceria offers us a delightful portrait of a young nude woman, her head slightly inclined. Her lips colored red, a neat hairstyle with large curls, typical of the Art Deco period. Painted brilliantly by our artist thanks to this impressionist touch, jerky and lively, our oil on canvas offers a superb palette of luminous colors approaching gold, so characteristic of his work. Beautiful old frame with gilded wood channels. Keyed stretcher. Signed "Ceria" top right. The artist is listed in Bénézit. I let you discover his beautiful artistic career punctuated by numerous exhibitions in Paris, London or New York ...
Dimensions: 35 x 27 cm (5 F) and 50 cm x 42 cm with the frame Very good condition. Slight traces of age on the frame. The painting is ready to be hung! Please note that I respond to any request on
