Carved Natural Wood Piano Stool

360 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

Lovely stool, natural wood very nicely carved with a Louis XV shell, on each side, central screw allowing the heightening, In very good condition, only the fabric covering it deserves to be refreshed, a small piece of the braid is missing, beautiful sculpture on the entire surface, the 3D capture is imperfect because of the shadow on the back of the stool, the 4 sides are of the same quality
