

## Pair Of Antique Chinese Solid Silver Napkin Rings - Dragon Motif

225 EUR

Period : 19th century

Condition : Bon état

Material : Sterling silver

Diameter : 5 cm

### Description

A finely crafted pair of antique Chinese export silver napkin rings, each featuring a detailed openwork design of chasing dragons among clouds, symbolizing power and good fortune in Chinese culture. Dating to the late 19th or early 20th century, these napkin rings showcase skilled silversmithing with intricately hand-chased detailing and pierced backgrounds. Each piece is made of solid silver (unmarked, as was common for Chinese export silver of the period), and measures approximately 5 cm in diameter and 3.2 cm in height. The central round cartouche on each ring was traditionally intended for monogramming and remains blank, allowing for personalization. A beautiful and authentic example of Chinese export decorative arts, perfect for collectors or as a luxurious table
