the center, the regions of great production:
Switzerland, Alsace, southern Germany, Belgium
and the Netherlands In a first concentric circle,
the countries of lesser production: the south of
France, Italy, Denmark... In a second circle, the
countries of low or almost non-existent
production: Spain, southern Italy, Russia, the
north of the Nordic countries and Great Britain...
and a great paradox: Spain, which supplied the
whole of Europe with ore for several years, has
only offered us a few very rare examples of
pewter objects!*****Visit my
