

## Rare Set In Green Opaline Enameled With Gold - 19th Century Period

6 800 EUR

Period : 19th century

Condition : Très bon état

Material : Opale

Description
-------------

Green opaline presentation service, enhanced with fine gold-gilded trim, comprising a large fruit bowl, a pair of footed bowls, and four matching plates. Each piece features a delicate ribbed decoration highlighted with gold enamel and finely scalloped edges. An elegant and decorative set, emblematic of 19th-century glassmaking expertise, ideal for adorning a table or display cabinet with distinction.
