Description

Very Impressive Monumental Mid 19th-century Mahogany Library Writing TableIntroducing a truly impressive and monumental mid 19th-century Victorian period mahogany conference table or library writing table. This stunning piece showcases the elegance and craftsmanship of its time.The molded rectangular top is adorned with a superb quality black tooled leather inset, providing both functionality and style. It features a total of 10 dovetail drawers--5 on each side--equipped with original brass plate handles and locks, all with working keys. The table is raised on 5 baluster turned legs that terminate in brass and ceramic castors, ensuring both stability and mobility. This magnificent table, crafted in England circa 1860, showcases stunning quality mahogany, original black tooled
