

Long Saber Of The Dha Type - Southeast Asia, Probably Burma, Late 19th Early 20th Century

950 EUR

Period : 19th century

Condition : Etat d'usage

Description

Long dha type saber - South East Asia, probably Burma, late 19th early 20th century Slightly curved single-edged blade. Scabbard and handle with wooden core covered with chiseled and embossed silver sheets and copper filigree. The unworked silver part at the top of the scabbard is original. It was not worked like the rest because it was not supposed to be visible, it was covered with the traditional braided cord. Dents and deformations at the pommel. Total length 95.5cmLength without scabbard 88cmBlade length 54.5cmWeight 687grWeight without scabbard 460gr
