Tablecloth And Its Twelve Napkins With Rich Damask And Openwork Decoration, "ap", Art Nouveau

150 EUR

Period : 19th century

Condition : Très bon état

Description

Beautiful set consisting of a tablecloth and its twelve large napkins. Good quality mixed fabrics. The decoration is particularly spectacular, the monogram "AP" is small (on both the napkins and the tablecloth) to leave as much space as possible for the damask decoration of ribbon motifs, pearl garlands and laurel leaves, palms and flowers, all highlighted by large, very openwork locations. Double monogram on the tablecloth allowing dishes to be placed on the table without hiding them. Work carried out in the 1900s. Please note: this set is in very good condition. A very small old and professional restoration on the tablecloth. Despite the care taken in cleaning our old linens, some stains may remain. Please look carefully at the photos.
