920 EUR

Period : 19th century

Condition : Etat d'usage

Material : Earthenware

Width : 14 cm

Height : 24 cm

Description

Earthenware ewer, green in color, Louis XV style, with foliage patterns in relief going up the spout of the ewer, while the base is decorated with a pattern close to the gadroon. It rests on a base decorated with finely chiseled waves. The bronze handle is decorated with reeds. The ewer does not present any external weakness, note that the interior bottom is cracked without consequence on the solidity (close-up photo) and mini lack of enamel before firing on the rounded part of the ewer (visible on a photo). Period End of the XIX Shipping costs by Colissimo with tracking: 35 EUR
