Description

A Masterpiece of the 18th Century: 18th Century Vicenza Directoire Style Walnut Chest of Drawers. Furnishing your home with period furniture means adding a touch of history and refinement to your interiors. The 18th-century Vicenza Directoire style walnut chest of drawers represents a unique opportunity for antique enthusiasts and classic design lovers. Elegance and Simplicity of the Directoire Style. The Directoire style, developed in France between 1795 and 1803, marks the transition between the Louis XVI and Empire styles. Characterized by clean lines and simple forms, this style reflects a return to classicism and purity of form, abandoning the excessive decorations of the Rococo period. Our chest perfectly embodies these aesthetic principles, with a linear structure
