290 EUR

Period : 20th century

Condition : Très bon état

Material : Linen

Description

Very beautiful footage of vintage printed fabric, probably linen and silk, featuring a sumptuous Renaissance-inspired design. The background is a soft parchment beige, enriched with a deployed pattern of golden scrolls, arabesques and stylized florets in elegant shades of green, ruby red, sky blue and patinated gold. The design is very fine, evoking 19th-century wall hanging textiles or decorations. This rare fabric is ideal for: - restoration (curtains, decorative panels, wall hangings), - furnishings (armchair, seat, cushion), - or even a textile creation or historical costume project. Dimensions: 240 cm x 116 cm Condition: very good overall condition. The colors are bright and the fabric supple. A refined and inspiring textile, for lovers of antique decorations and noble materials. ref 170725
