

Napoleon, Napoleon's Departure For The Island Of Elba In 1814, Original Period Print, 19th Century

600 EUR

Period : 19th century

Condition : Bon état

Material : Paper

Length : 83 , 5 cm

Height : 68 cm

Description

83.5 cm long 68 cm high for its period frame (average condition) very beautiful print of Napoleon's departure for the island unfortunately a too tight marie-louise prevents having more reading information Not wanting to mark out the back gather it is up to the future buyer to do so to have a nice surprise or not Offered in its found juice Overall remains in good condition.....
