

Large Bronze Medal - Pierre Jeannin By Guillaume Dupré 1618

540 EUR

Signature : Guillaume Dupré (1576-1640)

Period : 17th century

Condition : Bon état

Description

One of the most powerful medals ever made:
Pierre Jeannin by Guillaume Dupré in
1618. France, 17th or 18th century cast. Diameter:
18.1 cm at the widest. The strength of mind of
President Jeannin combined with the immense
talent of Guillaume Dupré at the height of his art
gave this great medal a special place in the
esteem of collectors. It is offered here in a quality
sand casting, although slightly later.
