Description

Very beautiful embroidery from Iraq. Often this type of piece is considered under the name of wedding blanket from Mesopotamia. It's true that it sounds rather good! Let's remain sincere and sober, it's preferable. This is a very beautiful work according to the embroidery technique. The entire surface is embroidered. Magnificent very bright and shimmering shades. 1970s Perfect condition. The object is ultra decorative, ideal for a wall decoration or on a sofa, a bed, etc. Dim: 235 x 72 cm Laurent Beauty of Kilims
