Description

Carved basswood angel dating from the end of the 17th century, beginning of the 18th century on a later black iron base. This angel is remarkable for its posture, the softness of its face, its slight swaying of the hips, the movement of its clothing. The quality of the sculpture, the remains of polychromy make it a work of great decorative presence. Good condition, Delivery costs mainland France 20EUR, for other destinations please contact us for a precise delivery quote.
