Description

Vintage Bohemian Faceted Glass Paperweight -
Lampwork Floral Design, Polished Pontil

Add a touch of classic European artistry to your collection with this exquisite vintage Bohemian faceted glass paperweight, expertly handcrafted in the traditional style of North Bohemia (likely from the renowned glassmaking region of Nový Bor or Harrachov).

Features:

Handmade faceted crystal dome with brilliant optical clarity and symmetrical multi-facet cuts
Encased lampwork floral design in vivid colors: red, yellow, green, and blue, radiating like petals from a central bubble

Deep green swirl base resembling moss or foliage adds organic richness and depth

Top control bubble and balanced symmetry
