

Religious Faith Ring

750 EUR

Period : 19th century

Condition : Bon état

Material : Gold

Description

Gold religious faith ring - 19th century 9k gold ring (375e) decorated with a miniature painting of a monk. English work from the early 19th century. DescriptionElegant antique religious ring in yellow gold, decorated with a hand-painted miniature of a saint or clerical figure. The painting, protected by an oval glass, is mounted in a delicately crafted beaded frame. The central motif testifies to a strong personal piety and the use of this jewel as an object of intimate devotion. The ring is made of solid gold, bearing a visible hallmark of English origin. It has been tested positively with 9 carat acid, confirming its authenticity. NC goldsmith's hallmark. Gross weight: 2.30 g. Ring size: 60.Condition: Good general condition - micro-scratches and wear from use on the glass, but miniature clearly
