### Description

Beautiful set of 6 Louis XV style caned chairs, lacquered and re-edged with cross-patterned caning. Elegant re-edged moldings. The back is carved with flowers as well as the crosspiece and the top of the front legs. Acanthus leaves are carved at the base of the front legs. They are all in very good condition of cabinetwork and caning except one where only the caning of the seat has been damaged (hence the price of the set). High quality set!
