### Description

17th-century Flemish school Still life with flowers Oil on panel 33 x 25 cm In frame 50 x 42 cm Full details (click [HERE](#)) The painting depicts a wonderful still life of flowers, where numerous colourful buds are gathered in a large vase placed on a shelf: bluebells, tulips, hyacinths, anemones and other species make up the bouquet, skilfully placed against a dark background to highlight the sinuous shapes of the stems, leaves and, above all, the bright, dazzling colours of the petals. The work highlights the skill of a talented painter who trained in the prestigious Flemish tradition of the 17th century, although at the same time, the decisive execution and sensitivity to light reveal a typically Mediterranean verve, which is evident in the soft and balanced harmonies of the bright colours of the buds. The artist displays all his
