Description

Golden Brass and Curved Thick Glass Display Case - Early 1900s - 16 kg (35 lbs) Charming golden brass countertop display case with thick, curved glass, dating from the late 19th to early 20th century. Originally designed for shopfront presentation, it features a mirrored back and is sold without the interior decorations--items shown in the photos are for illustrative purposes only. Perfect for collectors and an exquisite addition to any cabinet of curiosities. With its refined appearance, it also makes a stylish choice for a high-end costume jewelry boutique. In good original condition, showcasing its lovely patina. Note: a small crack on the upper right corner and a slight glass chip on the inside (see photo with arrow). These blemishes do not compromise the structure or integrity of the glass. Dimensions :
