Description

Large Pair of Iridescent Glass Vases in Soap Bubble Style, Mid-19th Century. Rare pair of Charle X vases in iridescent translucent glass in the "soap bubble" spirit of opalines from the same period. They are in excellent condition, baluster-shaped, resting on pedestals, the neck is flared. The whole is highlighted with golden edging. They bear a monogram with the number BI. The iridescent effect is quite surprising whether in electric light or in daylight. Height: 41 cm We deliver and ship all over the world, please contact us for a precise quote.
