

Copenhagen Porcelain Vase, Winter Decoration

220 EUR

Period : 20th century

Condition : Très bon état

Material : Porcelain

Diameter : panse - 14 cm - base 8 cm

Height : 29,5 cm

Description

Superb glazed Copenhagen porcelain vase.
Hand-decorated with a typical Northern European winter landscape: snow-covered houses, fir trees, and a hazy winter sky in soft, blue tones. Very fine workmanship, typical of Danish productions from Copenhagen Porcelain (Bing & Grøndahl). Delicate work circa 1900-1930, in the late Art Nouveau style.
