Description

Beautiful ceramic subject "the gallant with a bouquet" by Ernest Gazan, Etling edition. A very beautiful ceramic statue from the art-deco period, a young gallant having received a bouquet of red and yellow roses seems to rejoice in this gesture from a courtier. Wide smile and head back, with her large pink dress and her hanging castle, this young woman has a pretty posture, I let you judge with these numerous photos. Height 25.5 cm and 21 cm long, signed "Gazan" on the dress, for Ernest Gazan Has the stamp "SEBG Editions ETLING Paris" FRANCE, for Societé Etling Galerie Beranger, publisher.
