Description

? Superb and majestic solid pitch pine sideboard - Unique piece, extraordinary dimensions ?Give your interior a rare and authentic presence with this large solid pitch pine sideboard, a true piece of character for lovers of elegant, warm and timeless decoration. With its exceptional dimensions (H150 x W206 x D53 cm), this sideboard stands out not only for its size but also for the care taken in every detail of its creation: the grain of the wood has been meticulously selected and positioned in the direction of the elements, accentuating the impression of height and grandeur at every glance. The doors display hypnotic, almost artistic wavy patterns, bringing the wood to life while capturing the light to reveal the richness of its golden shades. Its balanced lines, its patinated brass handles, its sculpted base
