

Pair Of Candelabra With Cupids, Charles X Period

Description

Beautiful pair of gilt bronze candelabra, matt and shiny gold, representing young Cupids on foot, holding at arm's length a crown of roses surmounted by a sphere from which escape four arms of light decorated with stylized dolphins, lotus leaves, florets, standing on a gadrooned dome, placed on a pylon decorated with acanthus leaves, flowers and foliage, finished by a square section base (a bobèche replaced). Charles X period. Very good condition.
